Let the fire of your Holy Spirit  
Illuminate, beloved, and propel  
Continuation of all concord  
In all nations where your people dwell.

*Chorus:*

**We are victorious suns in Afra's loving heart.  
Now Arcturus' violet fires to all impart.  
See the Blue and Violet Races  
Together now take part  
In Afra's Spirit of Brotherhood!**

O beloved Afra, we extol thee  
And the banner of Brotherhood you bear.  
Threefold flame, expand and grow more brightly  
In the service of Afrans everywhere.
