

**Angel of Deliverance Call      CS-5**

O Angel of Deliverance, I am one with thee.

I soar with thee now in spirit to deliver souls here, there  
and everywhere from the darkness of this age into the  
light of perfection and eternal joy.

*Bind* the forces of darkness that assail every soul!

*Release* them! *Deliver* them, O God, into your eternal  
grace, into your supernal light in this hour.

*I declare* it! *I aver* it!

It is so in the name of the I AM THAT I AM!

And by the sword of the Archangel of Deliverance, it is  
manifest *now*. Amen.
