

Om Mani Padme Hum, AUM

One with my Solar Presence, the Queen of Light, the sponsoring masters of Scandinavia, Europe and the world, I affirm and accept that:

- The Queen of Light, even in the personification as Snow White, helps me by maintaining the constant glowing of the raised kundalini in my crown chakra to express divine virtues and to perform divine alchemies 24/7.
- All women and young girls are protected, respected and safe. All men see them as expressions of the Divine Mother. Everyone has a purified and protected base chakra.
- Everyone is enlightened in the higher use of sexual energies. The Virgin Consciousness is protected in everyone.
- The mission of the twin flame of the Divine Director is fulfilled in the Earth. She is safeguarded at all times—body, mind and soul.
- Harmony and stable economies prevail in Turkey, Greece, Italy, Spain, and Portugal; and Malta as the base chakra of Europe.
- Everyone who enters and is accepted into Europe as a refugee contributes to harmony, stability and prosperity.

- Everyone who is allowed to migrate from the south to the north in Europe contributes to the raising and purification of the kundalini on the European continent.
- The cultures and peoples of Sweden, Norway, Finland, Denmark, the Baltic nations and the British Isles are safeguarded by the Queen of Light.
- The white capstone placed on the crown chakra of Europe* by the Queen of Light is safeguarding all of Europe with the light of the raised kundalini.
