

Dear Michael, Come!

Om Mani Padme Hum AUM

In the name I AM THAT I AM, my beloved Holy Christ/Buddha Self and Holy Christ/Buddha Selves of all lightbearers throughout cosmos, beloved Archangel Michael and Faith, Micah, El Morya, Hercules and Amazonia, the Divine Director, Saint Germain and Portia, Padre Pio, Rose of Light, Charity, Enoch and all who serve on the blue ray of God-power, protection and divine direction, legions of angels from out the Great Silence and from the Cosmic Void, Surya and Cuzco, Lanello, Clare de Lis, K-17, Kali and all true messengers of God, all ascended and cosmic beings, legions of angels and archangels, Elohim, Buddhas and bodhisattvas of heaven, gnomes, undines, sylphs and salamanders, I pray:

1. Dear Michael, Archangel,
We call unto you.
Protect us, defend us
In circles of blue.

Refrain: Blaze God-power, protection, direction and might,
The will to keep on in the victory of light.
Transcendent blue lightning, now help us to fly.
Take us with your hosts to retreats in the sky.

2. Dear Michael, Archangel,
Your legions descend.
Set free every soul
So all may ascend.
3. Dear Michael, Archangel,
We call you today.
Seal us in the light
Each hour of the day.
4. Dear Michael, Archangel,
To God's light we bow.
Charge us with blue flame
To dwell in the now.
5. Dear Michael, Archangel,
Free demons of night
With all your God-power
To serve in the light!

(Continued)

Refrain: Blaze God-power, protection, direction and might,
The will to keep on in the victory of light.
Transcendent blue lightning, now help us to fly.
Take us with your hosts to retreats in the sky.

6. Dear Michael, Archangel,
Redeem every soul.
Seal us in the light
To help win the goal.

7. Dear Michael, Archangel,
Infuse us with love
To meet every challenge
With light from above.

8. Dear Michael, Archangel,
With God-power bright,
We pledge to uphold
Every child of the light.

9. Dear Michael, Archangel,
We thank you we do.
In faith and protection
Our auras renew.

10. Dear Michael, Archangel,
In humility,
We are bodhisattvas
And Buddhas-to-be.

Coda: I AM in your armor of blue flame now dressed!
I AM in your aura of light fully blessed! (3x)

In the fullness of your cosmic joy, we accept this prayer manifest here and now with full love, wisdom and power, anchored in the earth, air, fire, water and ether and tangibly manifest in our lives and in the lives of all evolutions of light throughout cosmos!
