

Om Mani Padme Hum AUM

In the name I AM THAT I AM, my beloved Holy Christ/Buddha Self and Holy Christ/Buddha Selves of all lightbearers throughout cosmos, beloved Fortuna, God of Gold, Mother Mary (Our Lady of Cosmic Abundance), Igor, Kuan Yin, Maha Chohan, the Divine Director, Saint Germain and Portia, the Old Man of the Hills, Amayllia, Lux Ray, Padre Pio, Rose of Light, Charity, Surya and Cuzco, Lanello, Clare de Lis, K-17, Kali and all true messengers of God, all ascended and cosmic beings, legions of angels and archangels, Elohim, Buddhas and bodhisattvas of heaven, gnomes, undines, sylphs and salamanders, I pray:

1. Joyously we come to you, blest Fortuna dear,
Knowing God's abundance now is already here.
2. We are blessed with crystals bright in our world of form.
Cosmic flow of emerald light—this is now our norm.
3. Elementals, joyous ones, bring all we require.
Cornucopia of nature's blessings now inspire.
4. God of Gold, we humbly bow, in your Presence pray;
Radiant blessings from the sun flow now by thy ray.
5. Devas, angels, precious friends, grateful now we are
To receive your gracious gifts, come from near and far.
6. Golden, liquid sacred fire, Vesta's gracious fare,
We imbibe into our beings, joyous love so rare!
7. Mary, Cosmic Mother dear, we surrender all.
Grace us now with all your gifts; hear our humble call!

In the fullness of your cosmic joy, we accept this prayer manifest here and now with full love, wisdom and power, anchored in the earth, air, fire, water and ether and tangibly manifest in our lives and in the lives of all evolutions of light throughout cosmos!
