

Aqua-Teal Blessing

(For the blessing of water and other beverages)

In the name of my Real Self and the Buddha of the Aqua-Teal Ray, I pray:

O living waters of aqua-teal light,
Stream forth through all waters bright.
O living waters of sacred fire,
Purge me now and raise me higher.

Wash all now in aqua-teal fire.
Cleanse all now in aqua-teal fire.
Raise all now in aqua-teal fire.
Seal all now in aqua-teal fire.

Beloved Buddha, I am drinking your aqua-teal light daily and enjoying your presence within each sip. I am aware that in every conscious act and in silent meditation upon the All within, I am drinking in your essence—God’s essential oil of gladness, healing, grace and love. Amen.
