

57. Alchemy of Love

When you're here beside me and your face is glowing,
All else seems illusion; space and time stop flowing.
All eternity is captured in the Now that is your smile.

When we walk together and I hear your breathing,
Every moment's heightened in this sacred feeling.
Perfect alchemy of wonder in the beauty of your form.
All eternity is captured in the Now that is...
Within the Now that is your smile...
Smile of love.

Interlude

Can our souls be woven in a mystic union
And our hearts be bonded in this sweet communion?

Pure geometry of vision in the radiance of your eyes
Perfect alchemy of wonder in the beauty of your form,
Form of love.

Can you feel this fire, this gift from above
Binds our souls together forever in love?

Interlude

I have always seen you as a crystal rainbow.
I have always loved you. Now I feel my heart grow.
Sacred energies unbounded are released to us this day.
Sacred energies unbounded are released to us...
Released to us, released to us this day...
Day of love.
