

37. Great Divine Director

Great Divine Director,
Manu, violet-blue,
Cosmic balance holding
With your love so true.

Karmic Board you're serving,
To all souls inspire
Wisdom, love and power
Balanced, draw us higher.

Saint Germain and Portia,
Students of your ray
Raise the Earth this hour
To a bright new day.

Seventh race now coming
Through your heart of fire,
Terra's freedom winning
By your God-desire.

Children of the future
Sponsored in this day,
Bless, protect and seal them
In the violet ray.

Blessed, holy master,
Raise the Earth this hour
In the Tao each moment,
We intone God-power.

Great Divine Director,
Hear our heartfelt call,
Bless us in your Presence,
Grateful are we all.
